~ ORDERING INFORMATION ~

For Company Logos, Trademarks, Signatures etc., there is NO EXTRA CHARGE, provided you supply us with good clear black & white artwork.

If you require different stamps, please use a separate order for each different kind.

We will automatically work out the SIZE OF THE LETTERING to suit the size of the stamp. If you want a whole line larger than the rest or just one word to stand out, make a note of it in the area provided on the order form.

If you don't have time to fill out the order form completely, or you just want to leave everything to us, then here are the standards we will use.
